POLICY FOR DISABLED FRIENDLY

The right to Education mainly focuses on the importance and need to have inclusive education, i.e., educating those students who have some identified disabilities or learning difficulties, even those students can fulfil their educational needs. RIT intends to have an inclusive comprehensive teaching and learning environment in which any incapacitated students, or any employees are not treated obstructively. The authorities of RIT are always endeavoring in order to forward a helping hand towards the differently abled students and employees. The policy comes with effect from January 1 2021.

The institution aims:

- To plan activities, programs and services that can be easily used and accessed by differently abled students.
- To provide assistance and opportunities to the differently abled students and in the learning process apart from regular class hours.
- To conduct awareness programs for all the teaching staffs, non-teaching staffs and students to brief about the issues of accessibility.
- To ensure that the classrooms for the differently abled students are located in the ground floor and also they have easy access to the laboratory, library etc.
- To ensure that restrooms are barrier free and easily accessible for all type of differently-abled persons.
- To provide chair and table of a specific make to accommodate the special requirement of students and employees.
- To ensure presence of wheelchair, ramps and lifts for easy movement of the differently-abled persons.
