

3.2.2 Number of workshops/seminars/conference conducted on Research Methodology, Intellectual Property Rights (IPR) and entrepreneurship during the year 2023-24

Year	Name of the workshop/ seminar/ conference	Number of Participants	Date From – To	Link to the Activity report on the website
2023-24	One Week Hands on Workshop on Bioinformatics and Computational Aided Drug Design	13	25.05.2024 to 29.05.2024	
2023-24	Seminar on " Harnessing AI for Next Generation Diagnostics and Patient Centered Care	40	10.04.2024	
2023-24	Workshop on Basics of version controlling	44	02.04.2024	
2023-24	Seminar on National Action for Durg Demand	70	13.03.2024	
2023-24	Workshop on To provide knowledge about impotance of data science	44	28.02.2024	
2023-24	Seminar on Strategies to Succeed in GATE & Competitive Exams	53	28.02.2024	
2023-24	Seminar on Clinical Research	64	23.02.2024	
2023-24	Seminar on The Art of Entrepreneurship and Fundraising	55	10.02.2024	
2023-24	Workshop on Introduction to AUTOCAD	72	08.12.2023	
2023-24	Seminar on Application of Cyanobacteria	55	24.11.2023

Title	One Week Hands On Workshop For Skill Enhancement
Name of Activity	Bioinformatics and Computational Aided Drug Design
Date	23 rd May to 29 th May 2024
Venue	NASSCOM Lab RITEE Raipur (CG)
Organized by	RITEE Raipur (CG)
Resource Person	Mr. Debashish sahu
Participated by	All Biotechnology Faculties & Students
Activity In-charge	Dr. Tanushree Chatterjee, Mr. Virendra Vaishnav
Program Content	Hands on Workshop on Bioinformatics and Computational Aided Drug Design
Program Objective	To learn about the computational tools and software
Program Outcome	All Student learned the Computational tools and software which is used in drug designing

Title	National Action Plan for Drug Demand Reduction
Name of Activity	Seminar
Date	13/03/2024
Venue	Seminar Hall
Organized by	Department of Computer Science & Engineering
Resource Person	1. Mr. Dharmendra Sahu, Joint Director, SRRC, Department of Social Welfare, Government of Chhattisgarh. 2. Ms. Richa Sharma Asst. Director, SRRC, Department of Social Welfare, Government of Chhattisgarh. 3. Mr. Ajay Kalyani, Director, Kalyani Nashamuqti Kendra Bhilai.
Number of Participants:	70
Activity In-charge	Mrs Madhavi Kshatri, Assistant Professor, CSE Department
Program Content	The National Action Plan for Drug Demand Reduction aims to tackle drug abuse comprehensively. It includes prevention strategies targeting various demographics, access to treatment and rehabilitation services, collaboration with law enforcement for supply reduction, and ongoing monitoring and evaluation for effectiveness. Sustainability through capacity building, and public awareness campaigns are also key components.
Program Objective	To provide the awareness about ill effect of drug abuse
Program Outcome	Students were increased knowledge about the risks associated with drug use, improved attitude towards seeking help, reduced stigma surrounding addiction, and decreased substance abuse rates within communities.

WORKSHOP/SEMINAR/WEBINAR REPORT

Name of Seminar: Strategies to Succeed in GATE & Competitive Exam	
Organizing Department: Mechanical Engineering	Date: 28.02.2024
Resource Person: Mr. Shishir Parsai	Venue: Main Seminar Hall
Program Co-Ordinator: Dr. Rajeshwar Verma	Number of Participants: 47

Report:

Department of Mechanical Engineering, RIT, Raipur organized seminar on "Strategies to Succeed in GATE & Competitive Exam" for the students of RIT College on 28/02/24 at Main Seminar Hall. The inauguration of the program started at the scheduled time. The resource persons and the dignitaries arrived at 11:00 AM. The inaugural program started with the welcome speech of Dr. R. Verma (Hod. Mechanical, RIT) and felicitation of guests was done. The resource person of this seminar was Mr. Shishir Parsai, field expert in mechanical engineering. During the one-hour seminar, Mr. Parsai covered various aspects essential for cracking GATE and other competitive exams, including: 1. Preparation Strategies 2. Subject Focus: Understanding the significance of core subjects, 3. Mock Tests and Practice 4. Post-UG Options: Beyond competitive exams, Mr. Parsai enlightened attendees about various post-UG options, including higher studies, research opportunities, and career paths. The seminar ended with the vote of thanks by Co-ordinator.

ABOUT THE INSTITUTE

Raipur Institute of Technology was established in the year 1995 under the aegis of Mahanadi Education Society by a group of eminent technocrats, industrialists, and management professionals coming from diverse backgrounds in industry, consultancy, academics & social development sector with the aim of providing quality & contemporary technical education to the aspiring students keeping in view the needs and challenges of the third millennium. The institute is approved by All India Council for Technical Education (AICTE) and the State Government, Directorate of Technical Education and it is affiliated to Chhattisgarh Swami Vivekananda Technical University, Bhilai (C.G.).

ABOUT THE DEPARTMENT

The Department of Mechanical Engineering was established in the year 1995 with an undergraduate program in Mechanical Engineering. Over the last two decades the department provides an excellent opportunity to learn fundamentals of mechanical engineering and applied research for undergraduate and postgraduate students. The department is running three different specialization courses (Thermal Engineering, Machine Design and Energy Management) in post graduation level and also a recognized research center for conducting Ph.D. program under Chhattisgarh Swami Vivekananda Technical University (CSVTU), Bhilai, and Chhattisgarh. The department has the modern infrastructure to undertake high-end teaching, research and development activities in its modern laboratories, besides highly experienced faculty.

ABOUT WORKSHOP

AutoCAD Engineering modeling software is used by thousands of universities globally for undergraduate students to learn engineering principles. This workshop will provide a platform to the faculties of Mechanical, Civil & Chemical to learn fundamentals of AutoCAD which will enhance the capability of faculties in projects, research and development of the society. The motto is to "Develop the strong core background and make the students marketable to local and national industries, government agencies, and graduate schools".

OBJECTIVES

- ❖ To introduce principle of modeling used in AutoCAD.
- ❖ To learn how to perform 2-D & 3-D modeling techniques.
- ❖ To learn advanced concepts and commands of AutoCAD.
- ❖ To understand how model different types of components & structures.
- ❖ To perform assemble in different situation for structures.

Report:

Department of Mechanical Engineering, RIT, Raipur organized one day workshop on "Introduction to AutoCAD" for the students of RIT College on 08th Dec 2023 at Main Seminar Hall. The inauguration of the program started at the scheduled time. The resource persons and the dignitaries arrived at 11:00AM. The inaugural program started with the welcome speech Principal, and felicitation of guests was done. The resource person of this workshop was Mr. Manas Pathnaik, Educational Youtuber of AutoCAD & CAD/CAM, enlightened to the students about the AutoCAD & CAD/CAM and its utilization on various sector. Further, he delivers the basic principle of AutoCAD & CAD/CAM and its working. Also, the expert emphasizes the design of component/structure and various parts required to assemble of a machine in 3-D. The seminar ended with the vote of thanks by Dr. R. Verma (Hod Mech & Coordinator).
