Approved by AICTE, New Delhi, Affiliated to CSVTU, Bilai

7.1.11 Institution celebrates / organizes national and international commemorative days, events and festivals (within 500 words).

Response:

The institute has in practice pre-decided graduate attributes for the students and makes sincere efforts towards the achievements. The college organizes different events and programs periodically to achieve the awareness of personal strengths and weakness among the students. Students get the opportunity for self-reflection and personal development with the aid of these events. The institute organizes value and ethics based programs on the days of national importance as well as death and birth anniversaries of great personalities to get an ability to engage in meaningful public discourse with a profound awareness of community needs and understanding of social and civic responsibilities. Programs are organized on thoughts of great Indian personalities on their birth and death anniversaries to instill the moral and ethical values in the students so that they can practice in their professional and personal lives.

CELEBRATION OF NATIONAL FESTIVALS: National festivals such as Independence Day, Republic Day and Birth Anniversary of Mahatma Gandhi are celebrated with great enthusiasm in order to inculcate patriotism, nationalism and social responsibilities among the students.

CELEBRATION OF TEACHERS DAY: Teachers Day is celebrated to recognize the contributions and achievements of teachers. This celebration creates social awareness with values and ethics to foster and encourage innovation in the young minds. The programs are celebrated on organizing various events such as poster, quiz, and debate competition etc. in the institute. Celebrations of important days are intended to create awareness amongst the students about issues of human rights, importance of the Indian Constitution, rights and duties of Indian citizens. This holistic approach creates responsible citizens. The institute also organizes relevant programs to sensitize the environmental impacts.

CELEBRATION FOR GENDER EQUITY: The institute celebrates International Women's Day, Daughter's Day, and Pink Day etc. to inculcate social responsibilities among the students in maintaining gender equity as a responsible citizen. The institute celebrates these days to increase consciousness, moral, ethics and values about national spirit, love for our culture and commemorate our great heroes and heritage.

CELEBRATION OF RELIGIOUS FESTIVALS:

The institute celebrates festivals of all religion in order to create harmony and national integrity among the students. Holidays are given for celebration of festivals of all religions. Festival holidays are given for Diwali, Holi and Christmas day.

CELEBRATION OF DAYS FOR ENVIRONMENTAL PROTECTION: The following days are celebrated to create environmental awareness among the students. Some of them are Environment day, Earth day and plantation day.

CELEBRATION OF DAYS FOR HEALTH AWARENESS: In order to create awareness about health among the students the institute celebrates yoga day. Lectures regarding the benefits of yoga are delivered to the students. Yogic practices are demonstrated to the students so that they can develop interest towards practicing it.

CELEBRATION OF OTHER DAYS: In order to create the passion for the profession among engineering students Engineers day is celebrated. Science day is celebrated to motivate the students for learning the fundamentals of science.
