To Whom So Ever It May Concern

This is to confirm that the Institution puts efforts and takes initiatives in providing an inclusive environment i.e. tolerance and harmony towards cultural, regional, linguistic, communal socioeconomic and other diversities.

RAIPUR INSTITUTE OF TECHNOLOGY

(Under the aegis of Mahanadi Education Society)
Approved by AICTE, New Delhi, Affiliated to CSVTU, Bhilai

7.1.8 Describe the Institutional efforts/initiatives in providing an inclusive environment i.e., tolerance and harmony towards cultural, regional, linguistic, communal socio economic and other diversities (within 500 words).

The institution being a private self-financing affiliated college has limited scope for having the students pan India. However, to promote diversity among the students and faculty, the institution provides an ecosystem and enabling environment for the co-existence of the people coming from different culture, region, linguistic and other socio economic diversities.

The institution has made efforts to provide an inclusive atmosphere that encourages peace, tolerance and harmony among students and faculty. By virtue of the admission process, students across the all districts of the state and cross sections take admissions based on the merit as per the state council guidelines apart from few from other states. Once a student gets admitted he/she will be provided equally with all the resources for bringing harmony and nurture for the holistic development.

Tolerance and Harmony towards Cultural & Regional factors:

To promote cultural and regional heritage with diversity, different festivals and cultural events are organized on the campus to reflect the integrity and unity. To create awareness among the students about the various cultural and regional importance local tours are arranged giving cross culture interactions. Some of the popular regional festivals are celebrated which are identified based on the demographic distribution of the students and faculties. In the similar fashion, various competitions are also conducted on the campus enabling the students to understand the traditional cultural arts of the region. The staff and students belong to different communities like Hindus, Muslims, Christians etc. being their mother tongues different like Bengali, Hindi etc. Yoga, guided meditation sessions, seminars on human values are organized every semester to create coherent environment and respect for individual. Organizing youth day, republic day, women's day, science day, engineer's day, Independence Day, matra bhasha divas, state formation day etc. promotes nationalism and patriotism among the students and staff community.

Linguistic factors:

For linguistic tolerance and harmony once in a year we conduct essay competitions in their own languages in which they can write in their mother tongues also as directed by MHRD we started conducting Matra bhasha divas.

Communal factors:

Institute encourages the community outreach of the faculty and students by involving them in various community related activities carried out with financial support. The institute also conducts outbound get together programs giving opportunity for the faculty members promoting the cross cultural interactions. Also, institute organizes events and campaigns by the NSS and YRC like plantation, blood donation, greenery importance awareness programmes

RAIPUR INSTITUTE OF TECHNOLOGY

(Under the aegis of Mahanadi Education Society)

Approved by AICTE, New Delhi, Affiliated to CSVTU, Bilai

Environmental day, Swachh Bharat Abhiyan, Constitution day, Sadh bhavana day, Jal divas etc. also the women empowerment cell of the institute organizes activities, Women's day programmes to empower the women/girls of all sects. Students and staff demonstrates communal harmony by celebrating the festival Diwali, Eid, Christmas and Holi collectively irrespective of religious, racial, cultural and lingual identities.

Socio-economic & other diversities

Majority of the students are from rural areas and belong to middle class. Various scholarship and free ships are provided towards the financial support for completion of degree.
